

New Adventures Summer Program 2019

Open to children who have completed 4K- Journey Kids

We will be doing field trips for the Voyagers who have completed 4K and Journey Kids again this summer. Monday, Wednesday and Fridays we will incorporate plenty of curriculum to help our children sharpen their skills and engage their minds in active play and imaginative explorations. Tuesday and Thursday we will be off site for field trips. We have many new and exciting opportunities that are awaiting our budding interests and talents. Field trips will start Tuesday, June 18 and run through Thursday, August 22nd. All children will be required to bring a lunch from home every day this year for the entire summer program starting on June 7th and ending on August 30th. Bag lunches need to contain a beverage and an ice pack. Monday through Friday New Adventures will provide breakfast, 2:30 and 5:30 snack.

All tuition is due on Monday by noon for that week of services. Field trip fees are to be paid in full by the 5th of each month. The only exception to this is the month of June which needs to be prepaid at the time of this registration form to secure your spot. Space is limited so please be sure to sign up as soon as possible as we fill up quickly every year. Enrollment forms received after March 1st will not be guaranteed a spot. On March 1st we will open enrollment up to the public and accept everyone on a first come first serve basis.

To register your children for the 2019 New Adventures Summer Program, the June field trip fee must be paid in full to reserve your space. Children who are not already enrolled at New Adventures are required to pay the \$30.00 registration fee. The \$20.00 supply fee is due with this registration form as well. Spots are limited and we need you to register no later than March 1st to guarantee a spot for your children.

We are looking forward to the opportunity to care for your children during the summer months. All June field trips will be scheduled for the afternoon. This will accommodate all the children at New Adventures who attend summer school. Transportation is provided to and from Summer School.

If you do not wish for your children to attend field trips on Tuesdays and Thursdays you must make other arrangements to care for your child on those days. All of our teachers for these classrooms attend the field trips with the children. New Adventures will not be able to accommodate care for children in our summer program that do not wish to attend the field trips.

When the field trip list comes out we will attach it to the forms that you will need for your summer packet. Also we will attach a list of how many chaperones are needed for each trip. If you can volunteer please fill out the form and return it to your child's teacher. Please know that you are welcome to attend any field trip that you are available. Getting the appropriate amount of volunteers to chaperone is critical to the success of our program. Please sign up for a field trip if you are capable. We will list the field trips which require the most chaperones on the request form you will receive with your packet.

**We are looking forward to sunny summer days
with your children at New Adventures!!!!**

Keep in mind that volunteers to chaperone help us keep our field trip costs down and our trips safe and successful. Please consider chaperoning as many field trips as you can in order for us to have a happy, safe, successful summer program at New Adventures. The children love when their parent chaperone. They get to spend a fun day with you and their friends. We will understand if you are unable to attend.

While field trips are still being finalized here is a list of some of the places we will go this summer.
